

Wash your hands

to prevent the spread of germs, bacteria & viruses

1

Wet hands
and add soap

2

Scrub palm to palm and
palm to back of hand

3

Scrub between
fingers and your thumb

4

Scrub your fingertips into
your soapy palms

5

Rinse well

6

Dry hands completely
and shut tap off with paper towel

Scrub for a
full 15 seconds

That is a full song of the A,B,C's
or a full song of Happy Birthday.
