

# Slips, trips and falls can have a lifetime impact.

**Diagnosis:**

Back injury

**Recovery time:**

Six months – lifetime

**Lifetime impact:**

Nerve damage

Slips, trips and falls are the second leading cause  
of serious workplace injuries in Saskatchewan.

**Don't rush –**  
take your time.

**Check your surroundings,**  
even for regular everyday activities.

**Practice good housekeeping**  
and keep walkways clear.
